

TEMPLE SOWERBY COURIER

March 2020 14th Edition

This may be the last Courier for some time. Thanks to the help of Karl Laithwaite Headmaster of the School the courier is printed on the school's photocopier and as we are all aware the school will be closed after this week.

We are entering a situation which we have never experienced before and with no idea of how long it will last so it is not possible to indicate any future activities in Temple Sowerby with any confidence that they will occur!

The all day breakfast on 15th March was very successful with about 60 present. Most of you will have received an information sheet about the local Covid-19 support group which has been set up. Full details including contact numbers are on the website. Contacts
